Dear Sir

INCREASE OF TAKE HOME PAY FOR GOVERNMENT EMPLOYEES

Pursuant to the decision take in a meeting between the Office of the Accountant-General and the Association for Savings and Investment South Africa (ASISA) and the South African Insurance Association (SAIA), that the minimum take home pay for Government employees will be reviewed on an annual basis, this is to confirm the new minimum.

Please note that after careful consideration, and in recognition of the current economic situation, the Accountant-General has decided to increase the minimum take home pay for government employees to R3000 per month to be implemented from 01 October 2021.

This also gives the management of the PERSAL Payroll system the required authorisation to make the necessary changes on the system to accommodate

this change with effect of 1 October 2021 or the closest workable date after that.

Sincerely,

A handwritten signature in black ink that reads "Karen Maree". The signature is written in a cursive style with a large initial 'K'.

Karen Maree
